Dear Sir:

I, Edward J. Lynch, am an attorney representing the Assignee, SenoRx, Inc. The assignee is the registered owner of all right, title and interest in and to the above-identified application. The assignment is recorded in Reel No. 011845, Frame 0074.

The applicants hereby disclaim the now pending claims 42-73 in any patent containing those claims which is granted on the above-identified application beyond the expiration date of the full statutory term of U.S. Patent No. 6,725,083.

It is hereby agreed that the now pending claims 42-73 shall be enforceable only for and during such period that the legal title to any patent granted on the above-identified application containing said claims shall be the same as the legal title to U.S.

No disclaimer is hereby made on any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of U.S. Patent No. 6,725,083 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR §1.321 (a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.
